

Bandit Coffee Co.

Opening in January, Bandit Coffee Co. is a new independent coffeehouse in the Grand Central District created by locals with a passion for coffee and community. It will be a multiroaster coffee shop serving single origin coffees at 2662 Central Avenue, in the former Porter Paints building across from Casita Taqueria. Teas and baked goods will also be featured. To coincide with their grand opening, The Minimalists will join Bandit Coffee Co. for three days of special events starting January 23rd. The Minimalists, Joshua Fields Millburn and Ryan Nicodemus, are bestselling authors and international speakers with over four-million readers at TheMinimalists.com. Sharing their message about living a meaningful life with less stuff, they will host a private screening of their upcoming documentary, *Minimalism: A Documentary About the Important Things*.
