

2025 - 3rd Avenue North

Since moving in, Cullen has worked tirelessly on his home, both inside and out, but this nomination is for the beautiful landscaping! While much work has been done in the backyard to make the alley look nice, it's the front that deserves the accolades. New ground cover along with Florida friendly plantings have transformed this property into a fun walk, or drive by just to see what's blooming! Thank you Cullen for sprucing up our block! Your neighbors on the 20th Block of 3rd Avenue.
