

# **Great Neighbor Award**

## **Helen and Ryan Memoli**

We would like to nominate Helen and Ryan Memoli located at 2544 4th Ave N. They have gone above and beyond for the last 2 years in so many ways. We've borrowed their lawnmower in the heat of summer while ours was in the shop. They have come over to help with big house projects. Whenever we're on vacation, they look in on the place and keep their eyes out for us and our animals. The most touching act of kindness was during the storms this year when a tree fell on our house. While the crew was here with cranes and lifts removing the tree from our roof, a surprise pizza delivery came to the house with our favorite pizza for our family. They also offered up their house if we needed it. They are such a giving couple and deserve all the recognition in the world. We're lucky to have Helen and Ryan!
