

Great Neighbor Award

Jim Garnett

Historic Kenwood is fortunate to have among us one of the kindest, most compassionate, and hardest working neighbors - Jim Garnett. As a Steering Committee member for the Historic Kenwood Partnership program, Jim has been instrumental in identifying and finding support for neighbors who need a helping hand. He works tirelessly to organize and set up the monthly projects. And he's wonderful at engaging a hardy group of cheerful, hardworking, fun loving residents on each project. Jim exemplifies "leading with his heart," and we're all so very grateful to him!
