

Hawthorne Bottle Shoppe

Kenwood resident Tegan Foster and business partner Amanda Hill have traveled the world discovering aspects of breweries, wineries and storefronts. They wanted to bring the best of each to their hometown. Hawthorne Bottle Shoppe (HBS) offers 75 wines, 300 beers, and eight drafts. They represent local and global breweries and wineries. The interior of HBS is 3200 square feet, with half of the space dedicated to beer, wine and market offerings, and the other half featuring a bar, high top and lounge seating. Delicious ingredients such as smashed sweet potatoes, prosciutto, fig butter and honey, create eight cold deli offerings that are unique to HBS, along with offering a few classic deli sandwiches — all served up on fresh bread from their local partners. HBS is located at 2927 Central Avenue and will be open Sunday through Thursday, 11 AM - 10 PM Friday and Saturday, 11 AM – 11 PM.
