

# Lolita's Wine Market

Join Chef Alex, Kelly, and CF in a casually-chic world of charcuterie, cheeses, and wines. You can find these wonderfully talented people and their delicious offerings at Lolita's Wine Market. The menu is ever-evolving and anything but boring, featuring small plates, paninis, outrageous sides (try the peanut butter and jelly foie gras) and desserts to die for. Did I mention wines? Lolita's is the perfect venue for a private gathering. Attention to detail is the secret ingredient in everything they serve and do. To-go orders, made up of your choice of charcuterie packed in a pizza box to accompany bottles of your new favorite wine, will elevate your "let's pick up something on the way home" game. And Lolita's caters, too! Follow Lolita's at [facebook.com/lolitaswinemarket](https://facebook.com/lolitaswinemarket) for up-to-the-minute schedules, menus and specials. Meet a friend and make new friends at Lolita's, 16 18th St. S., around the corner from The Burg and The Hideaway. Call (727) 505-0503.
