

Melinda Hill
2070 2nd Ave. N.

Melinda Hill moved to Kenwood in October 2014 and immediately began to transform a great house into a spectacular home. The complete interior/ exterior renovation includes a new, redesigned kitchen and gleaming wood floors. The home was painted, the sidewalk was repaired and pressure washed, new fencing and a gate was added, and beautiful landscaping and sod was installed along with a charming front patio shaded by huge oak trees. Thanks to Melinda for making a real contribution to the beauty of our neighborhood. So, please drive by the corner of 2nd Ave. N. and 21st St. N., and have a look. You'll likely find Melinda outside enjoying her yard.
