

# Home and Garden Award 2166 6th Avenue North

Described as "pretty predictably awesome since they moved in," Michael & Rhonada Cutts' home and front garden is indeed awesome! The charming white picket fence with sculptural plantings surrounds a lush green lawn with a paver path to a wide, welcoming front porch. The Craftsman style porch light and mailbox, comfortable porch swing, and the lovely paint colors with a pretty blue front door provide wonderful curb appeal. Be sure to drive or walk by to gain inspiration for your home too! — *Susan Rohr*
