

# NUMEX

Located at 2710 Central Avenue, NuMex plans to offer a “nu” twist on traditional New Mexican cuisine. The restaurant will make generous use of hatch chile peppers while infusing their own unique combination of flavors. Owner Raymond Smith spent a good amount of time working with chefs in New Mexico to deliver an authentic culinary experience that captures the atmosphere and vibrancy of the state. Menu items include blue corn enchiladas, carne adovada, green chile breakfast burritos and sopapillas. NuMex will feature a selection of craft beers, wines and wine-based cocktails. They will also feature a to-go window for walk up orders and delivery services in the area to help expand the restaurant’s reach. Hours: TuesThurs., 11 AM-9 PM, Fri.-Sat., 11 AM-10 PM, Sat.-Sun., Brunch 9 AM-3 PM. <https://www.facebook.com/NuMexChile/>
