2725 3rd Ave North

Susan has been a great neighbor the year and a half we have lived across the street from her. Today, the main reason for writing is the beautiful lawn work she has done lately. An old diseased oak tree was removed from her yard and a new healthy one re-planted between the street and sidewalk. The surrounding area was cleaned out and revived with new ground cover, bromeliads and mulch. It looks great! You can see her mowing the grass every weekend and taking such pride in her yard and our neighborhood. She has plans to renovate her house including an addition, so we can't wait to see the next phase of her project. What a pleasure to live across the street from Susan! — Bryan and Ken
