COFFEE & BICYCLES

The Bikery, at 2222 1st Avenue South, is opening up for business this month! Located on the main thoroughfare to downtown, they offer specialty coffees and espressos, in a welcoming bicycle-friendly café environment. The café is also a full service bicycle shop capable of attending to every type of bike. Their love for bicycles is on display with their collection of vintage and classic steel racing bicycles. The Bikery is also a dealer for Moots Bicycles, an American manufacturer of high-end titanium bicycles. [www.facebook.com/thebikerytampabay](http://www.facebook.com/thebikerytampabay).
